

Product no **AS15 3002**

GFP | Recombinant GFP protein (wild type)

Product information

Purity ■ The purity is >98 % as confirmed by SDS-PAGE.

Format ■ Liquid

Quantity ■ 100 µg (1 mg/ml)

Storage ■ Store in undiluted aliquots at -20°C; to avoid repeated freeze-thaw cycles. Store up to 24 months.

Additional information ■ **Source of GFP standard:** Wild type recombinant GFP from *A. victoria* was expressed in *E. coli*.

Application information

Additional information ■ The product emits light when exposed to UV or blue light.
